EXAMPLE PROMPTS

ChatGPT / CoPilot

- Brainstorming for activities:
I am teaching a class on [xyz] and I need a class activity for children ages 8-10. Please give me several ideas that can be done in 5-10 minutes.
- Summarizing:
Please summarize this [paste text here]
- Research:
Explain the meaning of [x] as found in [reference] in the Bible.

Claude 3

- Asking questions about a long paper (attach the PDF first)
 - Please write a short summary of this paper.
 - Who are the main proponents of the view referenced in this paper?
 - If you were to argue against [XYZ] as presented by this author, how would you begin refuting the arguments of this paper?
- Reading / Translating text (upload a photo)
 - Please give the English translation of this text

DALL·E 3

create this image: Jesus is forming the sculpture of a sleeping man out of clay mud in a beautiful outdoor setting, cinematic photography

MidJourney

a child and a lamb snuggle together with a large beautiful wolf outdoors, bright colorful photograph --ar 16:9 --style raw --v 6.0 --stylize 100 --chaos 20

Suno.ai

An traditional acapella hymn praising God for the beautiful rest of the Seventh-day Sabbath, based on Exodus 20:8-11
